# DISCLAIMER

At **AIRE OUTDOOR FURNITURE** , we strive to provide the highest quality outdoor furniture to our valued customers.

However, please note the following important information:

**Color and Texture Variations:** Due to the nature of our products and the variations in natural materials, the colors and textures of the actual products may differ slightly from those depicted in our promotional materials and website images. These variations are normal and contribute to the unique character of each piece.

**No Returns Policy:** Please be aware that all sales are final. We do not accept returns or exchanges once a product has been purchased. We encourage you to review your order carefully and ensure that it meets your requirements before finalizing your purchase.

**Damage Warranty:** We stand behind the quality of our products. If you receive an item with a manufacturing defect, we offer a warranty to cover the repair or replacement of the defective item. This warranty applies only to defects in materials and workmanship and does not cover damage resulting from misuse, improper care, or normal wear and tear.

To make a warranty claim, please contact our customer service team at [hello@aireoutdoorfurniture.com](mailto:hello@aireoutdoorfurniture.com) with details of the defect and proof of purchase.

By making a purchase from **AIRE OUTDOOR FURNITURE**, you acknowledge and agree to these terms and conditions. We appreciate your understanding and thank you for choosing our brand for your outdoor furniture needs.

To ensure the longevity and appearance of your **AIRE**, please follow these maintenance guidelines:

## **Regular Cleaning:**

**Frames:** Wipe down metal and wooden frames with a soft cloth and mild soapy water. Rinse thoroughly with clean water and dry completely.

**Fabric:** Clean cushions and fabric covers with a gentle soap solution and water. Avoid using harsh chemicals or bleach. Allow to air dry completely before use.

**Protective Measures:**

**Covers:** Use furniture covers when the furniture is not in use to protect against UV rays, rain, and debris.

**Shade:** Place furniture in shaded areas whenever possible to minimize direct exposure to sunlight, which can cause fading and material degradation.

**Storage:** During off-season or extreme weather conditions, store furniture indoors or in a dry, sheltered place.

## **Material-Specific Care:**

**Wood:** Apply a protective wood sealant or oil every 6-12 months to maintain the wood's natural appearance and protect against moisture.

**Metal:** Check for rust regularly. If rust appears, sand the affected area lightly and apply a rust-resistant paint.

**Wicker/Rattan:** Clean with a soft brush and soapy water. Avoid exposing wicker to excessive moisture.

**Sharp Objects:** Keep sharp objects away from furniture surfaces to prevent scratches and punctures.

**Seasonal Maintenance:**

**Spring/Summer:** Clean furniture thoroughly at the beginning of the season. Check for any loose screws or bolts and tighten as necessary.

**Fall/Winter:** Clean and dry furniture before storage. Remove and store cushions and fabric components separately to avoid mildew.

**Non-removable Covers:** Spot clean with a mild soap solution and water. Blot excess moisture with a towel and allow to air dry.
